

THE KAA NAPALI BEACH HOTEL . . . is  
nestled on the beach at Kaanapali, Maui.  
Beautiful resort area of Kaanapali is only  
three miles from historic Lahaina, early  
day capital of the Hawaiian Islands.

Ki!

We look out of our  
room right at the ocean.

I haven't been in  
swimming yet but  
hope to try it before we  
go home. Have played  
Golf twice and plan on  
playing again today.

Love,
